BEING SENT TO ALL SOM STAFF, ON BEHALF OF PROFESSOR GARY ROGERS, DEAN OF MEDICINE

Dear staff

I write to provide a staffing update and to advise that Professor Jagat Kanwar will be leaving Deakin University and the School of Medicine.

Professor Kanwar first commenced in 2006 as an Associate Professor in Immunology/Cell Biology with the Centre for Biotechnology and Interdisciplinary Sciences, within the Faculty of Science. He was later appointed to the position of Professor of Nanomedicine with the School of Medicine, within the Faculty of Health, a position he has held for the past 7 years.

Given my recent appointment, I have not had the opportunity to work closely with Professor Kanwar, however, on behalf of the School of Medicine, I would like to wish Professor Kanwar all the best with his future endeavours and to thank him for his contribution to Deakin's success over many years.

Please feel free to share you well wishes with Professor Kanwar directly before his last day, which is 16 October 2020.

Kind regards,

Gary

**Gary D. Rogers** MBBS, MGPPsych, PhD, FAMEE, FANZAHPE, PFHEA  
Professor & Dean  
School of Medicine
