childhood education

Dear Editors,

I am [redacted], Director of Publications and Board of Trustees member of Fundación Infancia y Aprendizaje. Cc'ed is Liliana Tolchinsky, Editor of Cultura y Educación / Culture and Education, a Fundación Infancia y Aprendizaje / Taylor & Francis journal.

We write you regarding the article "Analysis of classroom practices with an ICT resource in early childhood education" (doi:10.1016/j.compedu.2015.03.002), accepted for publication in your journal Computers & Education on 3rd March 2015, and subsequently retracted due to a violation of the dual submission publication policy.

After an in-depth assessment of the article's situation, and after having consulted with all parts involved (authors, Editor of Cultura y Educación and Board of Trustees of Fundación Infancia y Aprendizaje), who are all in agreement with the content of this communication, the journal Cultura y Educación considers the above mentioned article rejected prior to the date in which it was first submitted to Computers & Education.

In view of this consideration on behalf of our journal, the policy regarding dual submissions would not have been violated. We thus courteously invite you to reconsider your decision of retracting the article from your publication.

All parts involved would also like to offer our apologies for any inconveniences.

We thank you in advance for your considerate attention to this matter. Please do not hesitate to contact me if you need any further information.
