Subject: Decision on your manuscript

To: Resmi Ravindran <[redacted]@gmail.com>

Dear Dr Ravindran,

Unfortunately, I have to inform you that your manuscript "SEVERE LIVER INJURY DUE TO THE PROPRIETARY HERBAL LIV.52® -CLINICAL OUTCOMES, TOXICOLOGY, AND CRITICAL REVIEW OF LITERATURE" cannot be accepted for publication in Frontiers in Pharmacology, section Gastrointestinal and Hepatic Pharmacology.

The reason for this decision is:

This manuscript has been withdrawn by the editorial office and is no longer under consideration for publication in this journal.

This manuscript has been withdrawn by the editorial office and is no longer under consideration for publication in this journal.

You can access the review forum with the manuscript and comments using the following link:

<https://review.frontiersin.org/review/bootstrap/d162c18d-d2ef-4956-8795-11f2f717a5aa>

Please note that should you choose to resubmit your manuscript to a Frontiers Journal/Specialty, it must be accompanied by a statement of resubmission inserted in the relevant textbox of the submission platform, and addressing the reasons for previous rejection or withdrawal, as well as highlighting any subsequent changes.

With best regards,

Frontiers in Pharmacology Editorial Office
