

MEMORANDUM OF UNDERSTANDING

BETWEEN

INSTITUTE FOR ENGINEERING RESEARCH AND PUBLICATION (IFERP)

AND

BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY (BIET)

Preamble

This Memorandum of Understanding (herein after referred to us " MOU ") is made and entered into by and between the **Institute For Engineering Research And publication**, with a registered address at Chennai, India (herein referred to as "First Party") and **Bharat Institute of Engineering and Technology , Hyderabad, Telangana** (herein referred to as "Second Party").

This memorandum sets out the initial relationship between the parties as well as the respective rights and responsibilities of each party. Each Party respectively is expected to act in good faith in accordance with this Memorandum.

Objective

The objective of this MOU is to express the willingness of both parties to engage to promote the competitiveness of both the parties for publication collaboration. Any Specific activities under this MOU will be identified through consultation between the two parties.

Purpose

The purpose of this MoU is to establish a frame work for Publication Collaboration between Institute For Engineering Research and Publication (IFERP) and **Bharat Institute of Engineering and Technology** for publishing all the selected research papers from **International Conference on Information and Communication Engineering (ICICE-2021)** on in SCOPUS Indexed Journals and to set forth the understandings and intentions of the partners with regard to collaboration in areas of mutual concern mentioned herein.

Back Ground

The partnership is important between IFERP and **Bharat Institute of Engineering and Technology**. Since, Institute for Engineering Research and Publication (IFERP) a unit of Technoarete group is one of the world's largest Non-profitable R&D Association meant for research development and promotion in the field of Science, Engineering and Technology. IFERP dispenses a host of end-to-end professional services that assist educational institutions and universities within India and across the planet, in organizing world-class, high-level academic events - everything from international conferences and symposia to Webinars, Seminars, Guest lectures, workshops, student chapters, publishing research articles in reputed International Journals and Research Assistance. IFERP publications have shown marked growth in terms of global outreach, impact factors, downloads, citations, quick decision rates by the peer reviewers, number of submissions and stringent acceptance rates. IFERP is a leading publisher of scientific articles in SCOPUS Indexed, Web of Science, Springer, Google Scholar Indexed, ESCI, UGC Approved, ISI, Scimago Indexed Journal. IFERP organized scientific events with renowned universities with over 28,593 Journal Publication services.

Scope

This MoU sets forth the intentions of the parties for increased collaboration, co-operation and interaction and do not create any legally binding commitments. If the parties later agree to undertake any specific new projects, they will develop separate written agreements for such projects, setting out each party's contributions, deliverables, and budgets.

Responsibilities

The partners will continue to maintain their separate and unique missions, mandates and accountabilities. Each partner will be fully and solely responsible for any and all expenses it incurs in relation to this Memorandum.

Responsibilities of the Bharat Institute of Engineering and Technology & IFERP

- All the research papers from **International Conference on Information and Communication Engineering (ICICE-2021)** on February 11th to 13th, 2021 will be submitted to IFERP for publishing in SCOPUS Indexed Journals.
- IFERP will publish the articles in SCOPUS indexed, Web of Science Journals based on the requirement of the university.
- IFERP will publish the papers with nominal fee, mentioned in further sections.
- Protecting the confidentiality of every author's work
- Establishing a system for effective and rapid peer review
- Making editorial decisions with reasonable speed and communicating them in a clear and constructive manner.
- Organizing and managing the submission, assessment, review and editorial processes for publishing in the journal.
- To provide guidelines to the authors for submission of manuscript.
- To provide clear statement of the journal policies to the author.
- To treat all the authors with fairness, transparency, and honesty.
- To develop system, in cooperation with publisher to ensure timely publication of manuscripts.
- Check whether the articles are not copied and are original.
- Interact with the authors to effectively understand the content.

Expected research articles for publications from Host College

- As per the email/Telephonic conversation minimum **30-50 Papers** will be submitted by the Institution for Publications.
