Dear Prof,

I wish you all the best.

My name is Wei Yang. I come from China. Zhengzhou College of Business and Industry.
The main reason for this email is to cooperate with you on a paper.

I have a lot of papers to publish, papers on computers, medicine, materials, and so on.
I see that you are an AE of the Frontiers in Psychology, can you help me publish my paper to this journal? I will try to improve the quality of my paper.
If you can help me publish my paper, I'll pay you \$1500 as a referral fee.
If there are better journals, there will be higher pay.

Looking forward to your reply.
